## Possible Funding for Your School's Archery Equipment

Here are some ideas for raising funds. If you have some other thoughts and or ideas and want to share them with the NASP world, please email me at [jgauthier@genesisbow.com](mailto:jgauthier@genesisbow.com)

### Your School

Approach your School Principal with a request for funds for this program.

90% of Kentucky's NASP teachers paid for their equipment via their own school funds. When the administrators were introduced to NASP and saw how it positively influenced student attendance, behavior, self-esteem, confidence and on-task behavior, the administrators provided the funds. Approach your **Parent Organization** with a request to help you raise funds. **Student Groups** put on fund-raisers:

cookie/bake sale, car washes, brat fest, quilt raffle.
